The dimensions for the logo are fixed, and should not be altered. The logo should never be re-created.

- Alter the dimensions
- Change the colour
- Flip the icon
- Change the spacing
- Type the logo

ORBIT Sub-branding

To ensure visual consistency across the ORBIT portfolio, all sub-products follow a defined branding structure that maintains coherence with the core brand.

Logo Layout

The first line always displays the main ORBIT logo
The second line contains the sub-brand name, left-aligned beneath it.

The ORBIT logo features a distinctive symbol replacing the first letter, “O.” When a sub-brand is added, this symbol shifts to the left as a standalone element, and a standard typographic “O” is introduced into the logo to ensure legibility.

Sub-brand names should not exceed 8 -10 characters per line. If a name includes more than two words or exceeds 10 characters, a third line may be added. A maximum of three lines is allowed.

Spacing between the ORBIT logo and the sub-brand name is fixed at one-tenth of the BioMar logo height. Spacing between the sub-brand and the BioMar logo is fixed at one-fifth of the BioMar logo height.

Colour usage is fixed for this system: the ORBIT logo and the sub-brand name must always appear in must always appear in Orbit Teal.

Typography

The main ORBIT logo uses Avenir Next Regular.
The sub-brand name uses Avenir Next Medium for visual contrast.
