Safety Comes First

Seen a Safety Incident, Hazard or Near Miss?

Follow these steps and report it in Workday.

What should I do if I see an incident?

1 Make the situation safe

- If it is safe to do so, stop the activity.
- Get help if someone is injured.
- Secure the area to prevent further harm.

2 Inform your supervisor

As soon as possible.

3 Report it in Workday

Once the situation is under control.
